"My philosophy for a happy life"

He needs to write a paper of one page. It can be handwritten. The paper should answer the following questions. He should write out the question as a heading for a paragraph and then answer the question.

1. What is the speakers name and what did he want to do more than anything in the world?
2. What are three of the pit percussion instruments he mentioned?
3. What were 3 obstacles in the speakers way that prevented him from playing in the marching band?
4. How did he overcome the obstacles?
5. What happened as a result of overcoming the obstacles? Name three things.
6. What is his philosophy of a happy life?
7. What did you learn personally from this amazing video?

The student should turn in the makeup assignment NO LATER THAN 1 week after the missed event. For example, if the student misses an event on a Friday, the assignment will be due the following Friday.

This performance had a weight of 50 points. His paper will allow the student to makeup all of those points except for 5 and so his top score will be 45/50 as there is no adequate substitute for missing a performance.
