Arizona Tax Credit Program

The Arizona Tax Credit Program (ARS §43-1089.01) allows Arizona taxpayers to contribute up to \$200 for individuals and up to \$400 for married couples (filing jointly) for the support of extracurricular activities at a public/charter school of their choice and receive a dollar-for-dollar tax credit on their Arizona State income tax.

Arizona School Tax Credit monies may be used for extracurricular activities. An extracurricular activity can be defined as an optional school-sponsored activity that supplements the school's educational program and for which an enrolled student must pay a fee in order to participate¹. Extracurricular activities do not include any senior trips or events that are recreational, amusement, or tourist activities. School tax credit monies cannot be allocated to a specific class or teacher. Please consult a qualified tax professional if you have specific questions regarding what may or may not qualify for a tax credit.
